Accommodation & Package Breaks

Are you looking for the perfect all in one package for your HEN PARTY?

At **Carrick Self Catering** we have everything you need to have the most fun filled and exciting **HEN PARTY** to suit your group size, age and budget in Carrick-on-Shannon.

The **CSI SAVE THE GROOM ACTIVITY** is fast becoming a favourite among the adventurous hens in Carrick-on-Shannon

The "Best Man" films the groom getting kidnapped. On the day of the hen party the "Maid of Honor" takes the group along to a bar, where they will be met by our "Garda" who will escort the group to the investigation room. They will be shown the hostage video of the Groom pleading for them to rescue him. The hen party is then split into teams of 4 and are given a case file which contains information on the gangs suspected for the kidnapping.

Each team then become detectives and must then set off around town for 30 minutes completing tasks from the case file. With a little twist at the end the case is cracked however the fun is not over yet as the teams return to the investigation room and battle head to head contesting findings from the tasks. Everyone's competitive sides are discovered. The winning team will win a bottle of Bubbly.
