NO STRESS / EASY TO BOOK / TOWN CENTRE ACCOMMODATION

At Carrick Self Catering we offer everything you need to have a fun filled and exciting **HEN PARTY** that will suit your group size and budget in Carrick on Shannon without all the stress.

Fancy catching the cock on your hen party?
This hilarious hen party activity is based in Tullyboy farm which is a 20 min drive from Carrick-on-Shannon and its best not to wear your fancy gear for the games that make this last weekend of freedom farming experience so flockin' fabulous.

Ned and his farm team do some party games which include the funny 'Irish wake' and 'milk the cow' to make for a very authentic culchie experience. Some Buck's Fizz and Irish Whiskey will also be thrown into the mix so your hen party group can let their hair down and embrace the rough and tumble of the country life.

Hens can also enjoy some tea/coffee and scones in the farmhouse afterwards as you wind down from the insanity of some flockin' fabulous farming.

It's well worth the spin once you're watching the head hen run about in the muck chasing a big rooster.
